

Pioneering

Saturday 12th May
2012
0930 - 1630hrs

Skills Day

The Training Team are offering a Pioneering Skills Day to leaders who would like to learn more about, or just brush up on their large scale pioneering skills.

This one day event is open to all Leaders and adult helpers involved in Scouting on the Island, and is designed to teach large scale pioneering using 2, 3, 4 & 5 metre poles!

Pioneering is a form of engineering, but more than anything it can be fulfilling and also great fun. If you put your mind to it you can build just about anything!

Book your place:

via the on-line training diary at:
