

# CAN YOU INSPIRE?

## District Youth Commissioner

We are looking for brilliant and dynamic young people aged 18-25 to take Scouting forward in East and West Wight District.

As District Youth Commissioner you will champion, encourage and lead the work to ensure that Scouting in the District is shaped by young people in partnership with adults.

You will work with the District Commissioner and County Youth Commissioner to support Scout Groups to provide local youth engagement opportunities and to develop youth shaped scouting within the County.

Above all, you will believe passionately in Scouting for All, helping Scouting grow, become more inclusive, more youth shaped and make a positive impact in local communities. It's a exciting role, and the rewards are huge.

This is a chance to make real difference within Isle of Wight Scouts.
